

LTSU 2019 Advertising & Promotions Pack

Oh, hey!

We're La Trobe University Student Union (LTSU)...

The LTSU is the first point of contact for on-campus activations and advertising if you're looking to engage students on La Trobe's Melbourne campuses with your product or service.

The LTSU put student success at the forefront of everything we do. We work our butts off providing essential support services, fun on and off campus events, volunteering opportunities, an award-winning Student Theatre & Film program and a large and incredibly varied clubs & societies program.
